### **III. DESCRIPTION OF THE TRANSACTION**

Pursuant to an Asset Purchase Agreement ("Agreement") executed on or about June 27, 2008, EliteView agrees to sell, convey, assign and transfer to the Buyer, and BCN agrees to purchase and accept from the Seller, the "Sale Assets" summarized as follows: (1) all of the existing residential and business customers of any type or kind that constitute the Business originating in the top 34 states by revenue as set forth in the Agreement, and all contractual or other rights of the Seller with respect to such customer accounts; (2) all the names, addresses, and other pertinent information for all of the Seller's customer lists, if any; customer agreements, customer billing and collection data and the complete customer billing history of each customer account with the Seller's or any predecessor entities; and (3) all cash and cash equivalents, proceeds of every nature, attributable to the Sold Customers accrued, due or collected after the applicable Closing Date.

After the Closing, BCN will provide telecommunications services to EliteView's customers pursuant to its own telecommunications authorizations. After consummation of the transactions, EliteView will retain its telecommunications authorizations in order to continue to provide telecommunications services apart from the business being acquired by BCN. **Thus, EliteView does not seek to surrender its authorization at this time.**

To avoid customer confusion and ensure a seamless transition, the Parties will provide advance written notice to the affected customers at least thirty (30) days prior to the transfer, explaining the change in service provider in accordance with applicable Commission and state regulations for changing a customer's presubscribed carrier.

In accordance with state and Commission rules, Applicants have provided written notice to affected EliteView customers informing them of the proposed transaction. Service to these customers will not be transferred until the requisite regulatory approvals have been obtained. In addition, BCN Telecom Inc. has filed with the Commission the notice and certification required by Section 64.1120(e) of the Commission's rules. Applicants seek to consummate the proposed transaction on an expedited basis so that BCN Telecom Inc. may integrate the acquired customers into its existing business and thereby expand its presence in the local exchange and long distance market.
